INTRODUCTION TO RECOGNIZED STUDENT ORGANIZATIONS

It is our intention that the out-of-class activities and programs lend themselves to the total educational environment of the College and the “holistic” development of the individual. Additionally, it is our intention to provide a wide range of activities and programs to meet the needs and interests of all students. Organizations on campus become recognized upon application of the interested group and with the approval from the Office of Student Affairs in consultation with College administration.

RECOGNIZED STUDENT ORGANIZATION CATEGORIES

1. **Academic** – an organization representing a specific profession or career path
2. **Club Sport** – an organization whose purpose is to encourage participation and engage its members in competitive, extramural sports. Although club sports must be recognized as an RSO, they are governed by SPA. They are also subject to policies and procedures of SPA.
3. **Communication and Media** - an organization whose purpose focuses on the fields of written and verbal communication and new media.
4. **Cultural and Social Awareness** - Organizations that aim at providing intersectional, educational, and social programming across various identity groups. Cultural and social awareness organizations play a major and active role in advancing diversity, equity and inclusion efforts on our campus that result in the creation of Fletcher students becoming global citizens.
5. **Creative & Performing Arts** – Organizations that focus on providing entertainment & knowledge of the field of theater/dance, music, & Fine/Graphic Arts

6. **Faith Based** – an organization that provides spiritual and/or religious development for students.
7. **Greek Life** – a social, fraternal organization composed of all female or all male members within the IFC, CPC, or NPHC councils.
8. **Governing Bodies** – Two Organizations, the Student Program Association (SPA) and the Student Government Association (SGA) that function on behalf of Fletcher students. The SPA provides programming that is social, educational & increases the extracurricular and student life experience for students. The SGA is an organization that encourages expression, debate and support political issues and/or views that help increase student engagement at Fletcher.
9. **Honor Societies** – local and national honor societies that provide service and/or leadership opportunities and recognition for students with academic honors.
10. **Special Interest** – an organization whose purpose is to provide an opportunity for individuals to discuss and share information regarding a specific, non-academic related topic of interest.
11. **Service** – an organization whose chief function is to serve the campus and/or surrounding community.

RECOGNIZED STUDENT ORGANIZATION STATUSES

1. **Active** - Active status is defined as the status of an organization that has completed all requirements to start a new organization or maintain active status. Student organizations on active status are listed on Fletcher's Student Organization page and may take advantage of the benefits offered to recognized student organizations at Fletcher.
2. **Inactive** - Inactive status is defined as the status of an organization that has not completed the requirements to maintain active status. Student organizations on inactive status are removed from all recognized student organization lists and are not permitted to utilize any of the benefits of being an active student organization (such as participating in other student organization events, hosting events, fundraising, seek funding from campus entities, reserving rooms or services and enjoying other benefits of being recognized as a student organization at Fletcher). Inactive organizations can become active again by contacting the Student Affairs Coordinator and fulfilling any outstanding responsibilities.
3. **Probation** - Probation status is defined as the status of an organization that has been removed from active status for violations of the Fletcher Code of Student Conduct, College policies, and/or local, state, and federal laws. The length and terms of probation vary. Student organizations on probation may be required to complete certain requirements before being placed back on active status.
4. **Provisional** - Provisional status is granted from the time a new student organization application is submitted (or re-activating a previously inactive student organization) until the organization completes and submits all required documents. This time allows provisional student organizations to secure five founding members and hold two meetings in which they should hold elections, write a constitution, and secure a faculty or staff advisor. All documentation listed in the next section of this handbook must be

turned in before active status is awarded. If all founding members do not submit all required documents within 60 days, the application is void. No events or fundraising activities are allowed while an organization is on provisional status.

5. **Temporary** - Temporary status is defined as the status of an organization that exists for a period no longer than one semester that was formed to support a specific goal such as a political campaign or natural disaster relief.

ORGANIZATIONS SEEKING AND RETAINING OFFICIAL COLLEGE RECOGNITION

The following must be presented to the Student Affairs Coordinator to apply for College recognition:

1. A typed alphabetical list of at least five members including their names, addresses, and telephone numbers
2. A typed constitution and by-laws
3. A proposed slate of officers
4. A completed faculty advisor form
5. If affiliation with an outside group is contemplated, a copy of the purpose and constitution of the group
6. Compliance with any additional guidelines set forth by the Office of Student Affairs
7. A proposed budget for the semester

The Student Affairs Coordinator will review the materials submitted and notify the group of the action taken.

When an organization is approved for recognition, a letter will be written to the advisor and the organization. The organization is then considered an official student organization and is entitled to function as a regular part of the College community. In addition, the constitutions of all organizations must contain a statement that the organization and its members agree to uphold and abide by the rules and regulations of Fletcher Technical Community College. The constitutions of organizations must also include a statement requiring students selected as officers to maintain at least a 2.0 GPA.

2. A student representative submits the completed Event Planning form to the Student Affairs Coordinator after acquiring a signature from the organization's advisor(s).
3. The Student Affairs Coordinator seeks approval from the Vice Chancellor for Academic and Student Affairs.
4. If the event meets all requirements, approval is granted by the Vice Chancellor for Academic and Student Affairs. The approval confirmation is sent via email.

WHAT TO DO IF THE EVENT IS NOT APPROVED

If the event is not approved, the Student Affairs Coordinator will contact the organization representative to:

- Request more information
- Request another form
- Deny event request or if denied, a response is sent to the student representative who submitted the event request with reasons for the denial via email.
 - A student representative can resubmit an event if they have made the necessary adjustments that comply with college policy.

Once the student representative provides more information and/or submits additional forms, the Student Affairs Coordinator will review the event request once more. If the event meets the requirement(s), the Vice Chancellor of Academic and Student Affairs grants approval and the approval confirmation is sent via email to the student representative who submitted the event request.

FACILITY USE RESERVATION PROCEDURES

Fletcher Technical Community College utilizes an online platform to obtain reservations for campus facility use. RSOs can access the reservation portal by visiting www.fletcher.tapgoods.com. Only one (1) specified officer of a recognized student organization may:

- Request use of College facilities for meetings and events. This process ensures all requests for facilities are appropriately coordinated within the RSO before a request is granted.
- RSO requests for facility use are considered “College Events” and therefore incur no charges. However, this privilege does not guarantee that a recognized student organization will receive permission to utilize a specific requested facility.
- **RSOs may not, under any circumstances, request facilities for any non-College group or entity, or on behalf of another RSO.**
- When reserving college facilities, the organization must indicate what type of set-up is required for the reserved room, provide estimated attendance, and indicate what equipment (AV, PA, tables/chairs, etc.) is needed for the event.
- Prior planning is essential. RSOs failing to provide specific room set-up and equipment requests 72 hours prior to the event will receive the standard set-up.
- RSOs who plan ahead and consult with a member of the Maintenance Department will significantly increase the success of their event and ensure that Maintenance staff is able to fully support their event needs accurately and on time.
- **Events requiring the use of facilities should be held during the normal operating hours of the College.** In order to ensure safety and security of students, faculty, staff, and members of the community at RSO sponsored events, it is imperative that events begin and end on time.
- RSOs must return facilities to the manner in which they were found.
- Security: For social events with 100 or more guests, RSOs are required to hire one post-certified off-duty uniformed police officer per 100 guests. For all social events with fewer than 100 participants, it is recommended that a post-certified off-duty uniformed police officer be present.
- Money Collection: Recognized Student Organizations that sponsor or co-sponsor events where money is collected are required to have a post-certified off-duty uniformed police officer in attendance regardless of the size of the event.

- If food or drink is permitted, trash must be placed in trash bins.
- All furniture moved within the facility/room or moved from the facility/room into the hallways must be replaced. This includes returning tables and chairs to their original location.
- If cancellations are anticipated, Maintenance and other involved parties should be notified at least 24 hours in advance.

For assistance with facility reservations, please contact Crystal Wendell at 985-448-7996 or crystal.wendell@fletcher.edu.

OUTDOOR EVENT AND SOUND SYSTEM POLICY

The volume of the sound system must not impede the rights of others to have a positive working and learning environment. The appropriate volume will be decided on by the Office of Student Affairs.

- Student Affairs Staff and/or Campus Security may instruct the user to turn down the sound system at any time.
- PA systems should be set up and tested at least 1 hour before the scheduled event.
- CDs/iPods utilized for campus events may not contain foul language or language that degrades one's age, gender, religion, language, sexual orientation, socioeconomic status, ethnicity, race, exceptionalities, or geographic background. Any RSO not adhering to the clean music policy will have their event shut down and risk losing outdoor event privileges for the remainder of the semester.
- The booking of outdoor space will follow the same guidelines and procedures as outlined in the Facility Use Reservation Procedures.
- Non-compliance with the Outdoor and Sound System Policy may result in suspension of the privilege to reserve the outdoor space in the future.

USE OF CAMPUS FOOD SERVICE

When planning an on-campus event with food, student organizations must contact Premier Catering to discuss a menu for the event. Premier Catering has a wide selection of banquet meals and break foods from which to choose. Student organizations wishing to bring their own food for on-campus events must receive approval from the Office of Student Affairs. It is strongly recommended that RSOs utilize Premier Catering whenever possible.

- RSOs are responsible for paying any debt incurred for an event. The College does not assume debt for RSOs.
- Student organizations are not allowed to conduct fundraisers in which retail type items (full meals, hamburgers, hot dogs, etc.) are sold in the vicinity of the Fletcher's facilities. However, the sale of homemade baked goods for fundraisers is allowed with the permission of the Office of Student Affairs.

- Fundraisers using edible items will be limited to once per semester but must be approved by the Office of Student Affairs at least 7 days prior to the event.
- Organizations that are not in compliance with the food service policy, may be sanctioned by the Office of Student Affairs.

MOVIE SCREENING

Student organizations who are interested in showing films or movies at meetings and events must comply with the Federal Copyright Act (Title 17 of the U.S. Code), which governs how copyrighted materials, such as movies, may be used. Neither the rental nor the purchase of a home video copy of a movie carries with it the right to show the movie outside the home. This legal requirement applies regardless of whether an admission fee is charged, whether the institution or organization is commercial or non-profit, or whether a federal or state agency is involved.

To show a film or movie on campus, your organization must purchase a “public performance” license from one of the three companies listed below:

Criterion Pictures
<http://www.criterionpicusa.com>
 (800) 890-9494

Swank Motion Pictures, Inc.
<http://www.swank.com>
 (800) 876-5577

Motion Picture Licensing Corporation (MPLC)
<http://www.mplc.com>
 (800) 462-8855

Fees are determined by factors such as the number of times a particular movie will be shown, anticipated audience size, location, etc. While fees vary, they are generally inexpensive for smaller audiences. Fees may be waived if a request is granted from the company responsible for producing the film or movie. For more information on the law on “Public Performances,” visit <https://www.swank.com/college-campus/copyright/> (Swank Motion Pictures. Inc., 2017). Once the organization makes the “public performance” license purchase, the organization is required to provide documentation to the Office of Student Affairs.

PRINT MATERIALS

Fletcher Technical Community College is committed to the First Amendment of the United States Constitution and the free speech values it embodies. As an institution of higher education, Fletcher recognizes the importance of free and open debate on all matters. Distribution of printed material on campus raises a number of issues that are unrelated to the content of the message being conveyed by that printed material. Fletcher has an obligation to take reasonable steps when appropriate to protect its students, faculty, and staff from invasions of privacy, impediments to safety, and interference with the College's educational, research, and service missions. To protect those interests, Fletcher reserves the right to impose content-neutral and reasonable time, place, and manner restrictions on the distribution of printed material on campus.

GENERAL RULES

1. Posters, flyers, and bulletins may not be placed on any of Fletcher buildings, doors, walls, utility poles, trees, shrubbery, or any other surface. Posters, fliers, and bulletins may be placed on designated bulletin boards in accordance with any rules established by the department or office responsible for the bulletin board.
2. No fliers, brochures, cards, or other printed material may be placed on car windshields.

4. No printed material may be offered for sale without expressed approval.
5. Organizations should include the organization name on any printed materials intended for distribution on campus.
6. PROMOTIONAL ITEMS

If promotional items are sold or distributed, the organization must have approval from Marketing. The promotional item design must be emailed to misty.mcelory@fletcher.edu for approval before the Office of Student Affairs approves the overall registered event. Student organizations may use the Fletcher logo or other branding if approval is granted from Marketing. This approval includes, but is not limited to, T-shirts, hats, calendars, decals, banners, or any other apparel or non-apparel items.

USE OF COLLEGE NAME & BRANDING

The Marketing Department promotes, protects, and regulates the College's name and identifying marks. These marks include the name, logos, seal, and all identifying marks, symbols and slogans associated with Fletcher. Proper use of Fletcher's name and marks stimulates public awareness and support for the College. Prior written permission is required through the Marketing Department for use of the College's name or marks for anything other than official College purposes.

USE OF COLLEGE NAME

A recognized student organization may use the College name in its title, publications or letterhead to show its status as a recognized student organization at Fletcher, but may not use the name in a manner as to create confusion between it as an organization and the College itself nor in a manner that would in any way constitute an endorsement, approval or underwriting of any organization, product, activity, service or contract by Fletcher Technical Community College. The general rule is that the College name cannot precede the name of the student organization. Examples include:

Permissible: ABC Club at Fletcher Technical Community College, ABC Club at FTCC

Not Permissible: Fletcher Technical Community College ABC Club, FTCC ABC Club

USE OF COLLEGE MARKS

Recognized student organizations may not use the College seal or logos on letterheads, business cards or other identifying materials.
